

2010 Directory for Local Lodging and Courtesy Rates For Patients and Families

We welcome you to Aberdeen and Avera St. Luke's. It is our wish to make your stay as successful, convenient, and comfortable as possible.

Hotels/motels in the immediate area offer a variety of accommodations for patients and families. We have compiled this list of "courtesy rates" from local hotels/motels for your convenience. (Please see reverse side for this list.)

To obtain the "courtesy rates" you must present a special card to the hotel/motel, which will be provided to you by Avera St. Luke's. This card is verification that your stay is hospital-related. You may obtain your card from the Admitting desk in the East lobby at Avera St. Luke's Hospital.

Another option for out-of-towners is Avera St. Luke's Auxiliary Guest House. This community-sponsored facility provides accommodations near the hospital for patients and their families and caregivers. Seven bedrooms in the Guest House are reserved on a first-come, first-served basis.

We look forward to serving your medical needs. Thank you for choosing us to provide your health care needs.

Look no further.
