

Support is increasingly needed to meet the challenges of providing quality healthcare. One of these steps is to establish the Avera Partners in Caring Endowment Program.

Through contributions, donors touch the lives of friends, family, neighbors and strangers when it is most needed. Gifts are used to purchase special equipment and provide programs and assistance that would otherwise not be affordable.

AVERA FOUNDATION

The Avera Foundation began in 1982 to create a way through which people could participate in the healing ministry that has become Avera. This health ministry, sponsored by the Benedictine and Presentation Sisters, serves the people of eastern South Dakota and surrounding states with hospitals, nursing homes, clinics and other health services at some 150 locations.

AVERA MISSION

Avera is a health ministry rooted in the Gospel. Our mission is to make a positive impact in the lives and health of persons and communities by providing quality services guided by Christian values.

AVERA HEALTH VISION

Working with its partners, Avera Health shall provide a quality, cost-effective health ministry which reflects Gospel values. We shall improve the health care of the people we serve through a regionally integrated network of persons and institutions.

AVERA VALUES

In caring together for life, the Avera community is guided by the Gospel values of compassion, hospitality and stewardship.
